# Lady Mary Coasters

Pattern Designed by Mel Dahms

Pattern Difficulty: Easy

Lady Mary is all drama and dark colours. So a coaster named after her would need to make the most of the jewel colours, not to mention a few jewels of their own

What do you need?

Yarn: Small amounts of black and jewel colours. I used Carnival Soft 8 ply

Hook: 5mm

Other things: Yarn needle, 8 black beads (big enough to be threaded using the yarn needle), scissors

• Working in the round
• chains (ch)
• single crochet (sc) [uk = double crochet (dc)]
